RESPONSE TO INDICATION OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee  
Commissioner for Patent  
P. O. Box 1450  
Alexandria, VA 22313

Dear Sir:

Applicants provide the following comments in response to the indication of reasons for allowance. Initially, it appears that the symbols in the reasons for allowance do not track those of the claims. Moreover, the indication of reasons for allowance seems to focus on features of claims 4-10 and claims dependent therefrom. Applicants note that some of the features listed are not found in independent claims 1 and 58. Applicants believe this was an inadvertent oversight on the part of the Examiner; the decision to allow these claims was correct, for example as explained at pages 14-15 of the Amendment filed after the first action on the merits on August 13, 2004.

Respectfully submitted,
